# February 2019

CREATED FOR THE PROMOTION AND ENJOYMENT OF THE CHEVROLET CORVETTE.

### **President's Comments**

The Club donated \$5,500.00 this year to local charities. Thank you all for recommending these local organizations and if you have a picture of the donation please get it to me so I can post it on our website. It was a quiet January but I hope to have some more Club activities in the upcoming months. Of course the biggest event that we have coming up is our annual Beach Caravan in May. Please advertise it in any way possible. Contact your friends and fellow Corvette owners and encourage them to come and join us. We are changing the schedule this year and I think it will help get more Corvette folks to come and join us.

We are planning to revisit some of the neat places that

we visited as a group over the last years. We want to revisit the awesome collection of cars and neat memorabilia at Wayne Bates home in Dothan. He really has some unique cars like a Cord, Essex, Amphibious Cars, Rolls Royce etc. etc!!! We will meet and get lunch and then go look at the collection and it's all right in Dothan. We also want to revisit the awesome collection of antique gas pumps, Fords and other memorabilia in Donaldson Georgia. Again this was an awesome collection and there is a great place to eat just down the road from the collection. More information will follow soon. Please let me know if you have any places you would like to visit as a Club.

Well Happy Valentine's day to you all and hope to see you at the 9 February Corvettes and

Coffee in Enterprise at Panera Bread.

Save the Wave.

Carl

Hi Carl, It's Paul from the Toy Store in Largo, Fl. I just bought a one owner, 70k miles, Nassau Blue FRC  
This is the first FRC we have had since we sold yours. Let us know if you have someone who might have an interest. I just sent the car to the detail shop so I can have more photos the first of the week. Hope all is well with you and yours.

Best regards, Paul McNeeley

# For Sale

Hi Carl,

I would really appreciate it if you could send this out for me. My life is changing and it looks like it is time to let pretty blue go?!

Thanks for your help.

Penny

Hello - we are offering our 1965 Sting Ray for sale, and wonder if a club member might have an interest. A few details: 327/300, 4 speed, matching numbers, power steering and brakes, wood steering wheel, all original. A one owner car in our family since it was built in November 1964. Lots more to tell - just too much for email. We invite inquiries by return email to Thomas Rogers at [tr@trlegends.com](mailto:tr@trlegends.com), or to (917) 940-3354. We are located in Lexington, KY.

**Asking \$55,000.**

Thank you!
