President's Comments

I want to first thank Bruce Carter and Jim Robertson for all their work in planning, organizing and executed an awesome Track Day on 29 October. I am just sorry that my work prevented me from being able to join in the fun. Great job and THANK YOU for all you do for the Club. The Club still has some track time so we need to see if there is still more interest in having another Track Day in the future.

I also want to thank the 13 folks that joined me and went down to assist Jim and Charley clean up after Hurricane Michael. They were hit really hard in Marianna Florida. I couldn't believe all the damage to the entire town and surrounding area. The pile of down trees that was stacked on the side of the road totally hid Jim and Charley's home and must

have been around 20 feet tall. We actually had a great time picking up all the downed branches, fencing etc. outside and helping Jim get the ceiling in their bedroom repaired and the soaked rug out of the house. Thank you all for helping and putting up with my tractor driving skills!!

We had a great Corvettes and Coffee in October. The number of folks attending was down but I realize that the hurricane had a big effect on the participation. We still had a great time and I hope to see more folks at the November Corvettes and Coffee. It will be held on November 17th instead of the 10th of November due to the Peanut Festival Parade being on 10 November. They are looking for 19 Corvettes for the parade so please try and support it if you can.

We need to start planning for the Club Christmas party and thank you all again for all your support.

Save the Wave.

October 6 – Landmark Park Show

Congratulations to Don and Grace Nelson on the trophy they got at the Landmark Park Car Show on 6 October.

September 15 – Huggin Molly's

The Club cruised on 15 September to Huggin Molly's in Abbeville for a great lunch together. We all met at the Marathon Gas Station south of Dothan and cruised the back roads to Huggin Molly's. We had 11 Corvettes and 23 Club members join in the fun. Oh yes we did have our favorite Porsche join us with Tommy behind the wheel!! Thanks to Bruce for once again for setting up another great Club event.

August 4th – Weevil City Cruisers

The Club participated in the Weevil City Cruisers August Cruise where Barb and Pat Pattberg won the "Car of the Month". Congratulations to Barb and Pat.

Hi Carl, It's Paul from the Toy Store in Largo, Fl. I just bought a one owner, 70k miles, Nassau Blue FRC
This is the first FRC we have had since we sold yours. Let us know if you have someone who might have an interest. I just sent the car to the detail shop so I can have more photos the first of the week. Hope all is well with you and yours.

Best regards, Paul McNeeley

Hi Carl,

I would really appreciate it if you could send this out for me. My life is changing and it looks like it is time to let pretty blue go?!

Thanks for your help.

Penny
