MUSEUM EVENTS

Registration Now Open for Corvette Racing Weekend presented by Michelin

This year's Corvette Racing Weekend at the AACA Museum in Hershey, PA is slated for October 25-26 bringing new activities to the schedule.

Thursday kicks off the event with an optional Meet and Green at Troegs Independent Brewing. Friday is the fan-favorite Corvette Racing dinner featuring Program Manager Doug Fehan and Driver Tommy Milner. Enjoy a buffet dinner, cash bar, and guest speaker Lance Miller of Corvettes at Carlisle. In honor of 2019 Corvette Hall of Fame Inductee Briggs Cunningham, his #3 LeMans Corvette will be on display thanks to Lance. Advanced registration is REQUIRED for the dinner.

Friday will also offer a Poker Run to Pioneer Tunnel Coal Mine and Steam Train. A limited number of autographed official Corvette drivers' polo shirts will be available for purchase for \$125.

Saturday's activities include Doug and Tommy hosting a Corvette Racing Q&A Session, Lance Miller speaking on the LeMans #3 Corvette, Auction of Corvette Racing memorabilia, Michelin Tire Technology by Lee Willard, Mobil 1 Seminar by Cam Bower and an autograph session. Tickets for Saturday only are \$35.

MUSEUM NEWS

State Farm Presents NCM with Good Neighbor Grant

State Farm Insurance has awarded a \$10,000 Good Neighbor Grant to the National Corvette Museum to provide financial support for driving and educational programs held at the Museum and NCM Motorsports Park. The funding will be used towards Tire Rack's Street Survival program (a teen driving program offered at the NCM Motorsports Park), MEchanics clinics (teaching basic car care and maintenance), Driver Safety Awareness Day, and other education programs.

"The National Corvette Museum is helping to save the lives of teenage drivers in Kentucky," said Jim Slaven, Public Affairs for State Farm, Kentucky and Tennessee. "We are pleased to present them with this additional funding for 2019 to continue the wonderful work they are doing in this important safety area."

1979 Engineering Development Corvette Undergoing Conservation

This is the Corvette that started the Bowling Green Assembly Plant. Initially used to develop engineering changes for the 1980 and 81 Corvettes, the Corvette was then used to test the recently installed assembly line at the new Corvette assembly plant. Having been acquired by the Museum in 2018, it is now undergoing conservation efforts by the Museum Preservation team, and guests can watch the ongoing work.
