**Luster - Opening March 15th**

With the emergence of photo-realism in the 1960's, motor vehicles assumed a special place of distinction as subject matter in the iconography of American art. *Luster* will take residency in the Museum's limited engagement gallery through the end of 2024. Art will be juxtaposed against Corvettes, motorcycles and other automotive icons that served as the inspiration for the work.

Members of the Corvette Community,

Change in an organization can be a time of uncertainty. However, it can also be an opportunity for growth and a renewed commitment to our mission, vision, and values, and moving forward with intention and transparency.

The strides the National Corvette Museum has made in recent years—from expanding our exhibits and educational programs to enhancing the visitor experience and hosting unforgettable events—are a testament to the collective passion, dedication, and hard work of our entire community, including our staff, volunteers, donors, members, and Corvette enthusiasts worldwide.

As we stand at this juncture, I want to assure you that the vision and momentum we have built together will continue to guide us forward. The foundation of the Museum and our commitment to celebrating Corvette's legacy is unwavering. Change can open the door to new opportunities and possibilities, and we are committed to building on the progress we have made. Our mission goes beyond preserving the history of the Corvette; it is about creating a vibrant, evolving community that continues to inspire, educate, and celebrate together.

We will be moving forward with a search for new leadership of the National Corvette Museum, with the focus on continuing the forward progress and accomplishments of the past 30 years, while honoring our connections to our staff, donors, members, and the Corvette community. The National Corvette Museum Board is undertaking this search in close collaboration with Museum staff to ensure the criteria will not only respect our storied past, but also create an exciting future reflective of the desires and direction of our stakeholders.

We're always here to listen and improve, and you can reach our Board and Leadership team [here](#). We invite you to share your thoughts, ideas, and visions for the future of the Museum with us.

We see and appreciate the passion displayed by the members of this community, value your input and welcome further dialogue focused on the continued success of the National Corvette Museum. Your feedback is invaluable as we navigate this transition and hear what is most important to you as we look to the future.

Thank you for your support, your passion, and your trust. We look forward to many more milestones, shared with all of you. Together, we have made the National Corvette Museum a home for those who share a passion for Corvette, and together, we will continue to drive forward, honoring our heritage while embracing the future.
