

Due to manufacturing advancements, tours offered by the National Corvette Museum of GM's Bowling Green Assembly Plant will be suspended beginning Monday, February 5, 2024. At this time, there is no confirmed date for plant tour resumption. The National Corvette Museum will remain open to the public and continue regular operations. To reserve your spot through Friday, February 2, 2024, visit us online at [corvettemuseum.org](https://www.corvettemuseum.org). As more information is made available, it will be shared by the National Corvette Museum.

### **INTRODUCING THE CORVETTE STORE VINTAGE SHOP**

Fuel your generosity AND clean out your closets by helping the National Corvette Museum's Corvette Store stock our first-ever Vintage Shop. We're on a mission to fill our shelves with the coolest vintage Corvette merchandise, which will be available in limited "product drops" in 2024 on [CorvetteStore.com](https://www.corvettestore.com).

### **WHY A VINTAGE SHOP?**

The Corvette Store's Vintage Shop gives the Museum another opportunity to showcase the car's incredible history and the fashions that have accompanied it, while the interest in vintage apparel has skyrocketed with younger generations craving a unique look.

### **HOW IT WORKS**

Do you have old Corvette-branded items taking up space? Instead of letting your collection gather dust, consider donating it to the Corvette Store. We're seeking all types of Corvette merchandise, including T-shirts, totes, lapel pins, and more. All donations must be clean, odorless, and in good condition.

- Donations can be shipped to the Corvette Store with Attn: Vintage Shop on the label or dropped off at the Corvette Store on Monday/Wednesday/Friday between 10am – 5pm.
- All Donations must arrive in a closed bag or closed box. Items not in a closed box or bag may be refused.
- Items donated will be inspected by Store associates. Items that do not pass inspection will be discarded at the discretion of store associates.
- Donations shipped to the store will not be returned.

The following items will not be accepted:

- Dirty, broken, damaged, or items in poor condition.
- Bedding
- Socks
- Batteries or battery tenders
- Food, perishable items, and personal hygiene products
- Automobile Parts
- Large appliances
- Paint or any chemicals

As a Lifetime Member of the National Corvette Museum, you make programs like the Vintage Shop possible and allow us to celebrate the rich history of Corvette while introducing America's Sports Car to a new generation. Here's to a season filled with gratitude, history, and the thrill of the open road.
