It is with bittersweet emotions that I am announcing Sharon Brawner has decided to move on from her role as President and CEO of the National Corvette Museum. We thank Sharon for her many contributions over the past two and half years, which include reimagining our exhibit galleries, growing our collection, and increasing investments in Museum facilities. In the short term, the National Corvette Museum Board will assume the duties of President and CEO during this time of transition, with Bryce Burklow serving as interim Chief Operating Officer.

Thank you for your support of the National Corvette Museum.
