

Michelin National Corvette Museum Bash

Collections Facility Preview

Friday, April 24 | 10:00 AM—1:00 PM

This exclusive tour gives Bash attendees a behind-the-scenes look at the property and plans for the Corvette preservation. The trolley will pick up and drop off at the Museum's Logo Circle and travel to the construction site, where a museum team member will provide an overview. Guests will remain on the trolley and may not exit at the site. Open to all Bash registrants, no RSVP required.

Exhibit Walkthrough: *Driven to Preserve*

April 24 | 10:00 AM—11:00 AM

Join Robert Maxhimer and Bryan Gable for a behind-the-scenes tour of the Museum's newest exhibit, *Driven to Preserve*, highlighting how the Collections Team safeguards the Corvette legacy.

Bash Exclusive: Drive Your Own Laps

Bash event attendees receive special discounted pricing on Drive Your Own laps at the NCM Motorsports Park, offering an opportunity to experience the track in your own vehicle. This exclusive rate is available only through the link below and is not accessible on the general NCM Motorsports Park website. Advance registration is recommended to secure this Bash-only offer.

Join us for the Ultimate Corvette Adventure

June 2–6, 2026

The National Corvette Museum's Museum in Motion heads to Charlotte, NC, in June of 2026 for a fun-filled week. Just a few of the stops will include the Hendrick Heritage Center, the NASCAR Hall of Fame Museum, Pratt Miller, and a visit to the Michelin Laurens Proving Grounds.

Register Now

Hendrick Heritage Center

The 58,000-square-foot Hendrick Heritage Center showcases Rick Hendrick's lifelong passion for classic and high-performance vehicles, featuring more than 100 of the finest and rarest automobiles under one roof.

NASCAR Hall of Fame Museum

Begin the day by exploring the history and heritage of NASCAR at the NASCAR Hall of Fame Museum. Guests will enjoy a guided tour, lunch, and free time to explore the venue at their own pace.

Michelin Laurens Proving Grounds

Gain an inside look at Michelin's North American on-vehicle test site, with a rare opportunity to meet the experts behind Corvette tire technology and experience the test track in your own Corvette. Attendees are also invited to a special meet-and-greet at Michelin's North America headquarters.

Pratt Miller

Experience the advanced Driver-in-the-Loop (DIL) simulator used by Pratt Miller. The simulator gives you a firsthand look at the technology helping make the Z06 GT3.R and its drivers more competitive on the track.
