The Beginning of a New Era

On Thursday, September 3rd, community members, Museum employees, guests, and supporters gathered at the front of the National Corvette Museum's new Collections Facility for a ribbon-cutting ceremony marking a new chapter in Corvette Preservation.

Fueling the Next Generation

On Thursday evening during the event, the donors who entrusted the Museum with funds to further preservation efforts and capabilities had a sneak peek at the facility during an invitation-only donor reception. The new Collections Facility will be open to the public for tours in 2027, but this building is more than an expansion; it is an investment in the museum that will last for years to come. A New Kind of Member Benefit

The new National Corvette Museum Member Portal is designed to make your Membership easier to manage and give you more ways to connect with the Museum from wherever you are. Members can easily review their account information while enjoying streamlined access to favorite Member resources like America's Sports Car magazine, Member benefits, upcoming events, and the Member Business Directory. But the new portal goes beyond managing your Membership. Explore an expanding library of exclusive digital content, including 3D scans of Museum artifacts, virtual exhibit walkthroughs, oral histories, event videos, and a photo gallery featuring every Corvette in the Museum's collection. Whether you're planning your next visit or enjoying the Museum hundreds of miles away, the new Member Portal brings more of the National Corvette Museum experience directly to you.

To access the new Member Portal, you'll need the email address associated with your Membership and your Member number. Not sure of your Member number? No problem! Contact membership@corvettemuseum.org, and our Membership team will be happy to send it to you.
